ICVES 2019

IEEE International Conference on Vehicular Electronics and Safety

September 04 - 06, 2019

Cairo, Egypt

Call for Workshops and Tutorials at the IEEE International Conference on Vehicular Electronics and Safety (ICVES'2019), Cairo, Egypt 4-6 September 2019.

Topics

- **Proposals Submission Deadline:** 15th April, 2019
- **Acceptance / Rejection notification:** 18th April, 2019
- **Workshops and Tutorials Date:** 6th September, 2019

The Organizing Committee of International Conference on Vehicular Electronics and Safety solicits proposals for half-day workshops and tutorials to be held on Friday, 6th, September 2019.

Workshops and tutorials should focus and discuss the latest advances in areas of active research (Theory, technology and application); in order to provide an informal forum for participants to exchange developing research results and ideas.

Please submit the completed workshop/tutorial proposal in a PDF format covering the following points: (send to ieee.icves.2019@gmail.com)

• **Type and Duration**

Specify half-day/full day workshop or tutorial.

• **Title**

Provide appealing title.

• **Organizers**

For each organizer, provide: affiliation, address, phone, email, and URL.

All correspondence will be sent to this contact person, who will be expected to respond promptly.

• **Abstract**

A short paragraph that will be used to advertise your event on the ICVES 2019 website.

-200 WORD MAXIMUM

• **Content**

Describe your event in detail, indicating the topics and if their participation is confirmed or still pending.

-1000 WORD MAXIMUM

• **Equipment**

A computer projector and screen will be provided. List all other required equipment —poster stands (how many), easel and writing pad, etc.
